## Terms and Conditions

I know you will understand that all companies have to have terms and conditions but here, at Berties, we try to keep them to a minimum.

1. Reservations over the telephone cannot be taken as all bookings have to accompany a booking form and deposits.
2. We can only accept **one cheque per party** for payment. Credit or debit card transactions can be arranged through the office.
3. All deposits are **non-refundable and cannot be transferred** as part of your final payment for your account.
4. Invoices will be sent on 1st October and final numbers and full payment are due on 1st November 2009. We will do our best to accommodate small increases to your group if capacity allows, but please bear in mind how popular our nights can be therefore this may not always be possible.
5. Once final payments are made this is **non-refundable** unless places are resold.
6. Any amendments to numbers must be confirmed in writing.
7. Unfortunately we cannot guarantee any seating arrangements or specific table positions in the Crystal Ballroom as your party represents one of many groups on the night. The final seating arrangements for all parties depend on each other and are not completed until the morning of your event.
8. As our Christmas Menu is devised so far in advance it may be subject to alteration without prior notice.
9. Bar accounts are only available by pre-arrangement with the office and must be settled on the night.
